AMBROSE EXPLAINED: Each player hits off the tee, the best shot is selected and all other players pick up their balls and place within one hand span on a similar surface alongside the selected best ball. Each player then hits a second shot from the same spot and the best shot is again selected. This continues until the ball is in the hole. On the putting green the best ball is marked and the other balls are played from this position. At least one Tee Shot per team member to count over the six holes.
